June 2020

Dear Parent/Carer

I would firstly like to take this opportunity to introduce myself, Miss Hill, as the KS3 Learning Director for you and your child as they prepare to come to Bishop Justus Church of England School in September.

You would have received a letter in April from our Headteacher, Mr Murphy, which stated that we usually invite students into school for an induction day, as well as having a parent and student information evening. However, in light of the current situation and following government guidelines, these events are unfortunately not able to take place this year.

Therefore, to ease the transition and in preparation for your child joining Bishop Justus in September, we are creating a new link on the Bishop Justus website which we plan to add information to throughout June and July. The material will be available through the 'Welcome New Year 7 Students 2020' link under the Information tab on the school website homepage. This will direct you to a page where you will then need to click on the logo.

The information posted will contain material that would normally be delivered as part of the induction process and we ask that you check this every week.

The information posted is not limited to, but likely to include the following:

- Weekly videos being released where students will meet key members of staff, some of our students and key information about the school
- A virtual tour of the school
- Helpful tips from current Year 7 students
- A frequently asked questions page
- Weekly PowerPoint for students to access and a booklet to complete called "Go Big Be Awesome"
- Advice for parents to support their children through the transition
- Uniform information

We hope that both you and your child will find this information useful, and that it may help to ease the anxiety around the period of transition. If you do have any additional questions, please do not hesitate to contact me.

KS3 Learning Director – Miss Hill – lisa.hill@bishopjustus.bromley.sch.uk

Our aim is to call all of the students before the end of the summer term to answer any specific questions the students may have.

Yours sincerely,

Miss L Hill
KS3 Learning Director
